ONE HERD

WE'RE COMMITTED TO THE SUCCESS OF OUR NATION'S FARMERS

At Legend Rubber, we know that healthy herds are the cornerstone of every successful beef operation. That's why we've dedicated ourselves to creating the toughest, safest, and most comfortable cow flooring on the market. Our products are designed to reduce slips and injuries, and support healthier, more productive cattle.

We're here to help farmers across North America tackle the challenges of herd management with solutions that put the wellbeing of their cattle first. When cows are comfortable, farmers thrive, and businesses grow.

Built on integrity, hard work, and a commitment to customer success, our promise is simple: No bull, no gimmicks, no shortcuts—just high-quality products that deliver.

Legend Rubber — The Bedrock of Healthy Herds.

AGRI FLOOR GROOVE

Agri-Floor Groove is built for high-traffic areas, offering unmatched durability and reliability. Reinforced with a 5mm stainless steel cable inlay, it's guaranteed never to stretch. Its grooved top provides superior traction, ensuring safer movement for animals while being gentler on claws compared to concrete.

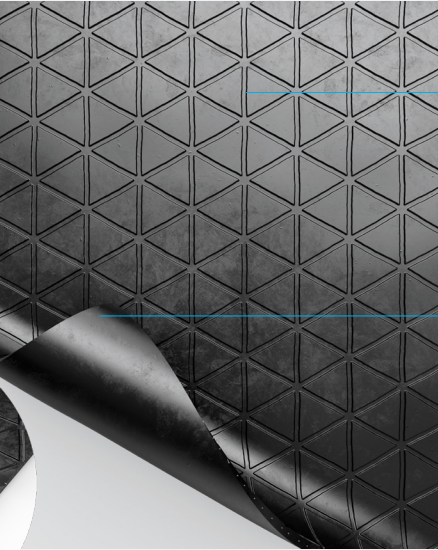

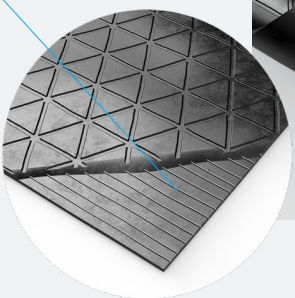

Designed for versatility, Agri-Floor Groove works seamlessly with automatic scrapers and skid-steer scrapers, making it a practical and long-lasting solution for demanding farm environments.

ADAPTABLE
Can be used in scrap and flush barns

TOUGHEST OUT THERE
Perfect for areas where heavy machinery will be used - this floor will take a beating!

STEEL STRENGTHENERS
Steel cable increases strength and decreases stretch over time.

SUPERIOR DRAINAGE
Grooves are designed to remove liquids from manure quicker, they are also easily cleaned due to their shallowness and width.

EASY INSTALLATION
Rolled and then custom cut to length and width ensuring easy install and less joins.

AGRI FLOOR X-TILE

The Agri-Floor X-Tile is the ultimate solution for areas where cattle experience increased stress or pressure. Designed with large, durable lugs, it ensures superior traction, keeping your herd safe and secure.

Perfect for chute entrances and exits, cattle races, parlor entrance and exit ramps, holding pens, and more, the X-Tile delivers reliability and safety in high-pressure environments. With its rugged design, it's built to withstand the demands of modern farming while prioritizing the wellbeing of your cattle.

MAXIMUM TRACTION

Raised lug for maximum traction. Lugs create perfect foothold for cattle, giving them maximum traction.

IMPROVED CATTLE CONFIDENCE

The extreme grip ncreases cattle confidence in high pressure areas, reduciung stress and the chance of slips, falls and splitting.

ROBUST

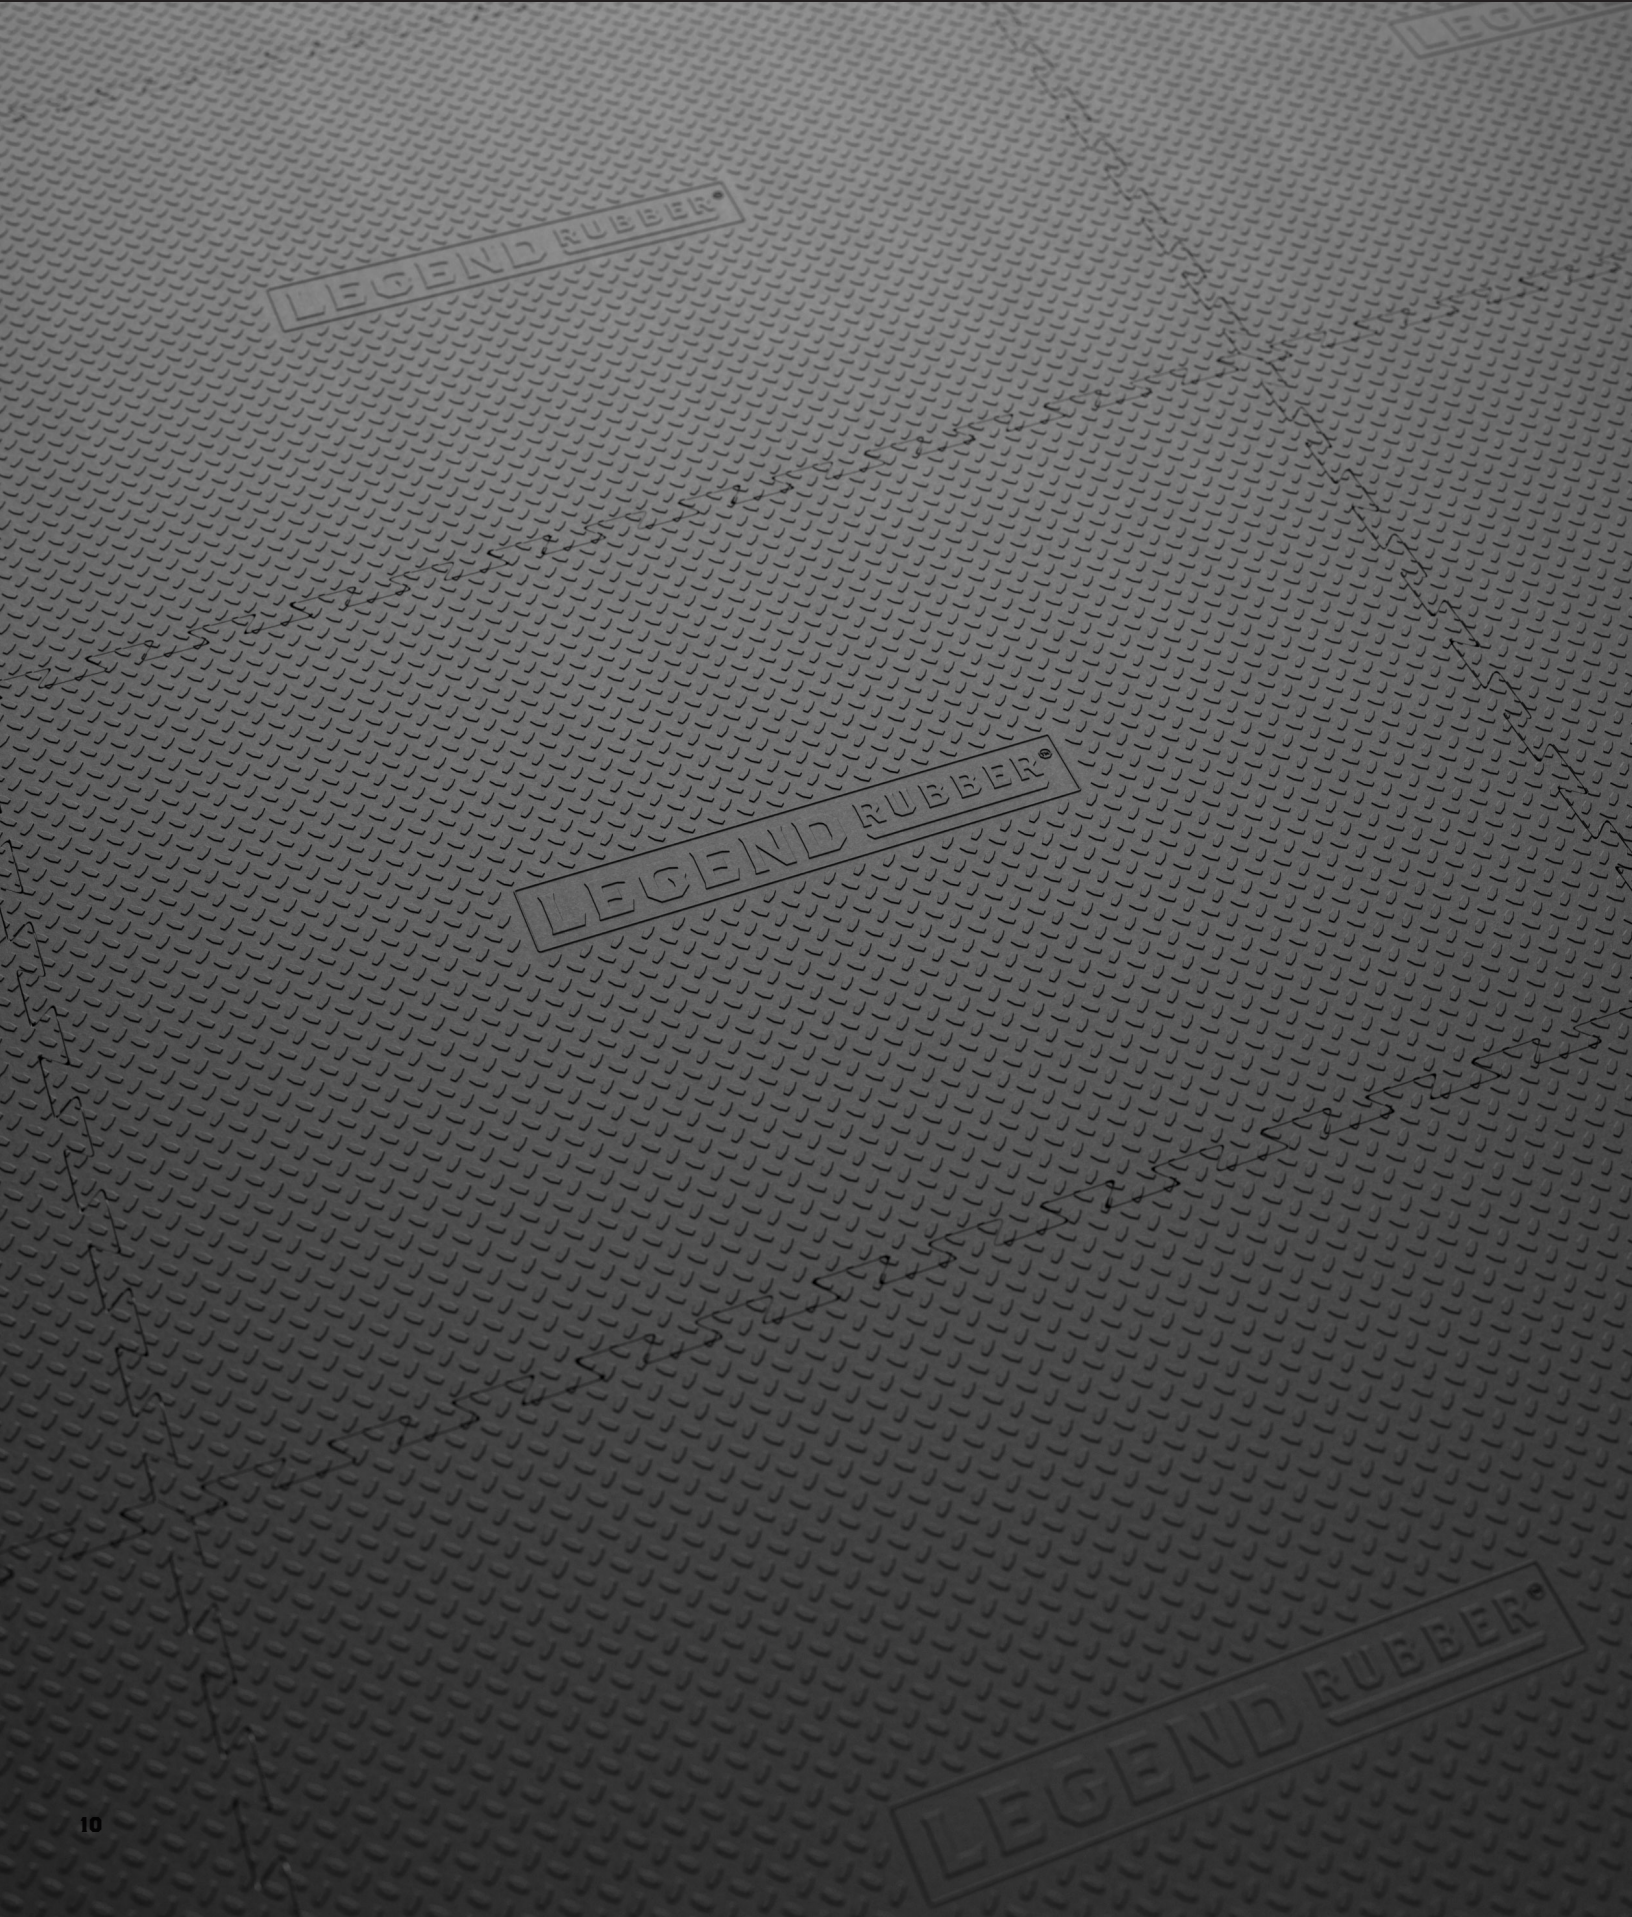

This is a very robust product. (160 lbs/tile) which means they stay where you put them.

GREAT FOR TRAILER OR CHUTE

Perfect tile for any trailer or chute areas especially with handles cut in for moveability.

CUSTOM-CUT

Can be custom cut to fit any area. We can also cut handles making the tiles easy to move.

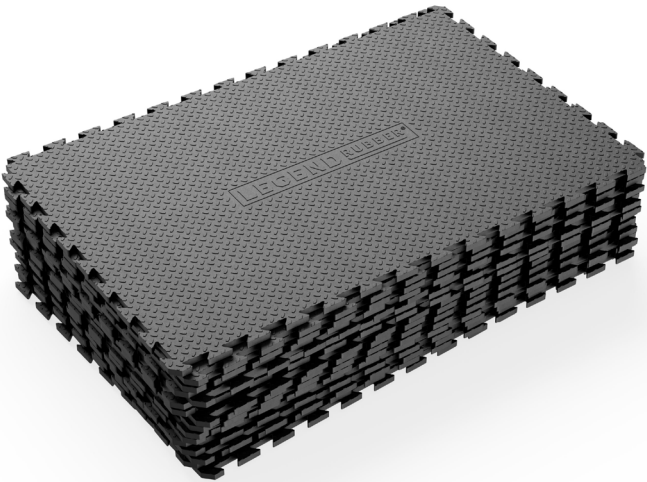

AGRI FLOOR GRIP TILE

Agri-Floor Grip Tile is a premium rubber flooring solution designed to enhance cow comfort, safety, and farm productivity. With a universal interlocking design, it ensures seamless installation and exceptional durability.

Key features include excellent traction to reduce slips and falls, custom-cut options for various farm areas, and a design that helps prevent lameness and injuries. Ideal for crossovers, holding areas, and parlor decks, these tiles promote better cow movement and comfort — the versatile, practical choice for improving herd welfare and creating a safer, more efficient beef environment.

AGRI FLOOR SLAT

Agri-Floor Slat Floor offers a premium rubber solution custom-cut with CNC water jets to perfectly match your barn's slat flooring. Designed for comfort and hygiene, the soft, claw-friendly surface enhances cow wellbeing, improving heat detection, caudal licking, and walking speed while reducing claw lesions and lameness. Its 7/8" thick rubber prevents manure from packing, maintaining a cleaner and more hygienic environment. The unique peg system securely holds mats in place without damaging slats, ensuring long-lasting performance. Backed by a 5-year warranty, Agri-Floor Slat Floor is the durable, reliable choice for healthier, more productive herds.
